## EDUCATION

*Name of the Education Establishment: North-Caucasus State Technical University (former Stavropol State Technical University)*

*Faculty/College: Information Technology*

*Degree (Diploma): Specialist*

*Specialty: Information systems and technologies*

### Trainings/Courses:

- *HTML/CSS by HTML Academy*
- *JavaScript 2021 on Udemy by Vladilen Minin*
- *React JS on Udemy by Vladilen Minin*
- *JavaScript Algorithms and Data Structures (freecodecamp)*

### Certificates:

- *JavaScript Algorithms and Data Structures (freecodecamp)*
- *The Rolling Scopes School certificate competition*

### Notes:

*Since 2018 until october 2019 I worked like a freelancer and learned front-end technologies. Also, I had to move to Moscow because of my son's allergic reaction. In spite of it I continued to learn and improve my programming skills. Right now there is no reason to stop me to reach my goal.*
